This powerful painting course will cover the latest in avant-garde watermedia materials and techniques that Bob is currently doing. The new Burridge bright and vibrant Color Wheel and Design Composition principles are emphasized. You will learn how to create with higher intentions and personal stuff. Be ready to create a huge frenzy of painting on paper or watercolor canvases in a variety of subject matters. Watercolor varnish techniques included. Plenty of time for personal critiques; daily demos and handouts included. Not your normal watercolor techniques class! Think experimental, contemporary Aquamedia Painting.
